This is in addition to the symbolic elements (which aren't particularly filling)

Non-Food Items

Bowl of Warm/Hot Water

Large enough for washing hands, but small enough that it's not too heavy to pass around the table.

Towel

For drying hands

Shankbone

Preferably dry shankbone from a lamb, though any small dry animal bone will do.

Small Clean White Cloth

This will be used for wrapping food you will later be eating, so cleanliness is important here.

A golden dollar is nice, but any coin will work.

Pillow

Only for show

Bottle of Hand Sanitizer

Purell or any other brand

At least 1 Candle

With, of course, some way to light it. But wait to light it until directed in the Haggadah.

Haggadah for Every Person

This is the booklet that leads everyone through the meal and traditions and explains the significance as they tell the story of redemption.
